

IMPROVING INTRALOGISTICS IS ABOUT THINKING OUTSIDE THE BOX?

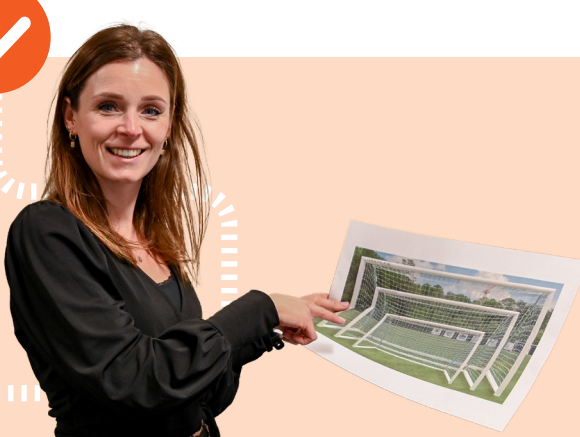

HELL NO!

IMPROVING INTRALOGISTICS STARTS WITH THINKING INSIDE THE BOX!

THIS IS OUR HYBRID SYSTEM INTEGRATION APPROACH LET'S BREAK IT DOWN

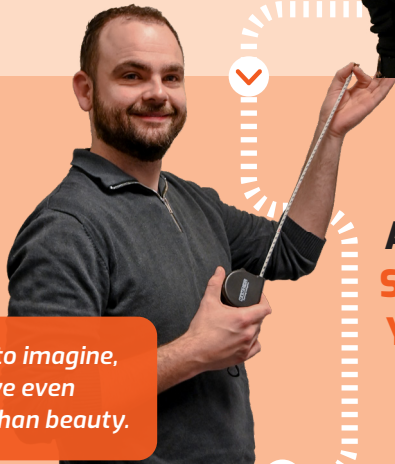

1 WE'LL START WITH YOUR GOALS

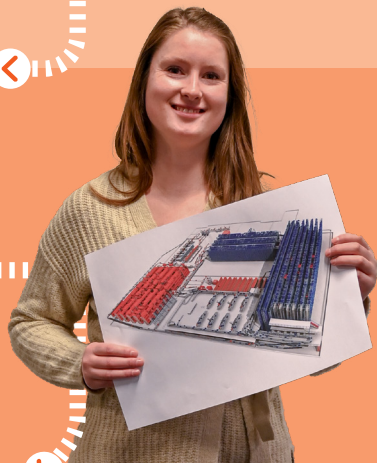

2 CAREFULLY ANALYZING AND SIMULATING ALL YOUR LOGISTICS DATA

2

Yes, it's hard to imagine, but we do have even more brains than beauty.

3 DESIGN ONE INTEGRATED HYBRID SYSTEM

4 CONSTRUCTED PERFECTLY 'IN YOUR BOX'

4

5 SOFTWARE? HARDWARE? DON'T WORRY, WE'LL SORT EVERYTHING OUT FOR YOU

PS:

OUR WORK IS NEVER DONE.

For over 25 years we are making sure everything keeps on moving optimally, even after delivery. Looking for extra support? Sit back, relax and don't give us a call: we are already on top of it!

We don't give you what you want.

We give you what you need.

That's our Dutch mentality.

But we promise to say it nicely.

THE NAME IS INTHER. INTHER GROUP. WHO ARE YOU?

Sorry, our real 'pickup lines' are better than this one.
